Anya Kamenetz , Ryan Kurada, Children,

Anya Kamenetz 00:01

Tinkering Together is a podcast mini series all about tinkering, a playful approach to learning. I'm your host, journalist and author Anya Kamenetz. And over three episodes we will hear from early childhood educators and others about the parts of the tinkering cycle, social emotional skills that come from tinkering, and even how tinkering can serve equity.

Ryan Kurada 00:23

So I think the more we can build on, you know, just invitations for science learning in the classroom, I think it's really going to be powerful for teachers and for students too.

Anya Kamenetz 00:34

So, join us.

Children 00:36

Thank you tinkering friends!
